ALMA MATER

G. Snook, W. Mearns, and H. White.

Twilight is falling on our childhood's happy day;
Manhood is calling to come on its way. May our
Alma Mater in her sons a tribute see. May the
years ne'er blot her from our memory. Frankford,
dear Frankford, as we journey o'er life's sea,
Frankford, dear Frank-ford, loyal sons we'll be.

ATTENDANCE

Perfect Attendance and Punctuality

John Caravello.....12 years

We would like to correct the following article which appeared inaccurrately in the book.

Mr. Mark Hagmann came to Frankford in February, 1945, as department head of Mathematics. Mr. Hagmann attended Washington Missionary College in Washington, D. C. and received his Master's Degree from the University of Pennsylvania. After spending five years in the Division of Research for the Board of Education, he went to Simon Gratz High School where he taught for twelve years before coming to Frankford. His travels took him through the West and all over Europe. He is famous at Frankford for his photography which he taught here at night school. After twenty-one and one half years of service and dedication at Frankford we bid farewell to Mr. Hagmann and wish him well.

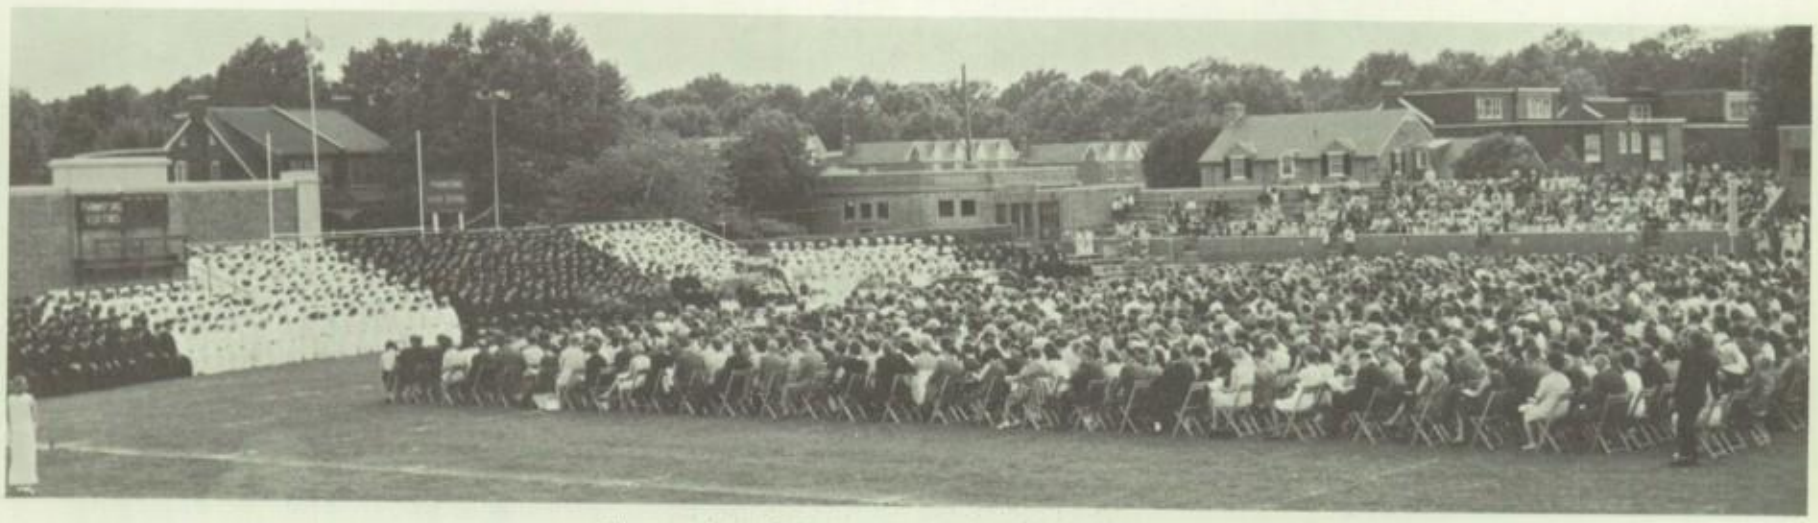
OF THE 100th CLASS



The members of the 100th Class and their guests.

Rev. Mooney delivers the invocation.

"Four Freedoms for America"

Alumni

THE COMMENCEMENT

We, the 100th class of Frankford High School, graduated on June 15, 1966. Our three years in Frankford ended in Frankford Memorial Stadium, the site of many happy memories.

As we proceeded to our seats under the setting sun, we recalled our past years in high school. We listened to an inspiring prayer by the Rev. William H. Mooney, the valedictory and salutatory speeches, heard our classmates honored for their various achievements, and became alumni. As we sang our Alma Mater and marched from the stadium our thoughts turned to the future.

The 100th class hopes to have set a new tradition in Frankford, the school of many traditions. As the first class to graduate from Frankford Memorial Stadium, we hope the classes to come will also use this site. The Stadium is a part of Frankford and every Frankford student. It holds many memories and we feel that it provided a beautiful setting for the end of our stay at Frankford High School.

Thomas Chwastyk, valedictorian.

LUNCHEON

Not to be forgotten among our senior class activities was our senior luncheon on June 9, at the Four Chefs. Charged with the responsibility of the many details of this, the largest senior luncheon ever held at Frankford, was the Luncheon Committee. This group was composed of one senior from each advisory. Its main tasks were the selection of the luncheon location, the planning of entertainment, and the making of arrangements for a printed program.

Many thanks to the following workers who made our luncheon so enjoyable: Donna Andrelczyk, Jean Blesi, Barbara Bromley, Janet Calhoun, Georgia Costalas, Arlene DeCample, Eileen Ellis, Marion Freeman, Patricia Gross, Janet Hall, Mary Janotta, Marie Kane, Helen Kudzmas, Jean Liehr, Linda Mettin, Joanne Miller, Carol Nicgorski, Betty Pomroy, Shirley Robinson, Linda Schwartz, Sandy Soczek, Karen Tasker, Linda West, and Jacqueline Zengolewicz.

SENIOR

Our year book this year was dedicated to Frankford's first graduating class. Of the thirteen members of the class, seven were able to come to our Senior Luncheon. They are Dr. Alfred H. Diebel, Mr. Harold B. Hutchinson, Mr. Frank Shuman, Mr. J. Reid Hammond, Mr. Howard Ross, Mr. Howard Hollenberg and Dr. Walter E. Howarth.

SENIOR TRIP

One of the most enjoyable events of the senior year was the excursion up the East River on Monday, June 6, 1966, to Rye Beach, Long Island.

Early in the morning, we took a bus to Newark, New Jersey, and upon arrival, boarded the steamer "S.S. Potomac." This boat carried us down New York Bay as far as the Statue of Liberty, and there turned, going up the East River. En route, besides enjoying the beautiful scenery, we ate, danced, took pictures, and really had a delightful time. After spending a few hours at Rye Beach, we started our journey home. We shall never forget the fun we had on our senior trip.

The committee and Mr. Bahr were responsible for helping to make the senior trip a great success. The members who so willingly served on the committee were Ed Zaremski, Karen Austin, Susan Blake, Gwen Brooks, Virginia Cannon, Henry Ciurley, Thora Davidson, Gail Donnelly, John Fritz, Steve Grunwald, Frances Helmling, Helen Hoffnagle, Karen Kapeghian, Donna Law, Barbara Markert, Denise May, Barbara Moshons, Nancy Orlicki, Sharon Pomager, Lorraine Robinson, John Schnell, Linda Stanley, Mary Venziale and Robert Williams.

SPRING SHOW, 1966

The Spring Show of 1966 was entitled "A Date for Three Seasons," written by Mr. Killough. Among the many attractions were the Mystery Guest and Swami, The Great Fisch. The theme revolved around an autumn hoedown, a spring Mardi Gras, and a summer circus. Those who attended enjoyed themselves to the utmost and would have liked a repeat performance.

SENIOR PROM

The Senior Prom of the 100th Class was held at the Sheraton Hotel on Friday evening, November 12, 1965. As we entered the ballroom, we were given a souvenir booklet and a prom necklace, after which, we descended the graceful staircase to greet our friends. Carl Waxman and his orchestra provided the music for the evening which ranged from the Bossa Nova to the Jerk. The high point of our first formal affair was the crowning of our Prom Queen, Carol Capcino.

At midnight, one thousand starry-eyed seniors left for the Prom Breakfast at the Four Chefs. There we ate and danced until 6:00 A.M., Saturday morning. For years to come, seniors of the 100th Class will speak of "The Stairway to the Stars" and sigh wistfully.

"WINTER WONDERLAND"

As the Christmas season neared, Frankford students eagerly prepared for the 24th Annual Christmas Musicale which was to be held December 16th and 17th, 1965. The presentation was divided into two parts. The first part, which was dedicated to music and dance, consisted of performances by the orchestra, dance club and members of the clef club. The second part featured the Ambassadors of Song in many religious and secular numbers.

Without the able assistance and spirited cooperation of Mrs. Dorothy Loyer, Mrs. Margaret Peffle, Mr. Robert Hamilton, Dr. Benjamin Novak, and Mr. Herman Siegel, the success of our Christmas Musicale would be doubtful.

SPRING SHOW 1965

Traditionally, every May, Frankford High presents its Spring Frolics, a musical variety show in which the students combine their talents to present a program entertaining to young and old. Members of the Dance Club, Ye New Spooks, Choir, and Orchestra rehearse long hours to make the show a success.

The "TV SPECTACULAR" was held on May 20 and 21 of last year. A fine performance was given by the students and the audience was treated to The Jimmy Bean Show, The Jackie Greason Show, Hubalaboo, and The Bruntley-Hinckly News Report. The resounding applause following the finale was proof that once again the Frankford Frolics had been a success.

JUNIOR PROM

Our Junior Prom, "Winter Wonderland," was held at the Philadelphia Rifle Club on Friday evening, February 5, 1965. The winter theme was carried out by blue and silver decorations. Music was provided by the "Twin Tones," a most versatile group.

Activities of the evening included the usual dancing, a spotlight dance, a twist contest, and the highlight of the evening: the crowning of our Prom Queen, Rose Mary Stokes.

The Junior Prom was an enchanted evening enjoyed by all. At the stroke of twelve, the couples left the Rifle Club filled with wonderful memories of the 100th Class "Winter Wonderland."

DANAIDES

Danaides which derives its name from a Greek legend that stresses service to others, is an organization for senior girls. The foremost purpose of the club is to honor those girls who have achieved eminence for their participation in school and community organizations while maintaining good scholastic averages. These girls then give oustanding service to the school. In recent years the Danaides have helped purchase necessary equipment for the school, have aided handicapped persons, and have given art awards at graduating exercises. Danaides cars washes and cake sales are Frankford traditions. Their current sponsor is Miss Charlotte Weiss.

The June, 1966 members are Joanne Ruchniewski, president; Lucille Damato, vice president; Nancy Speechley, treasurer; Ruth Laux, secretary; Judy Lawson, Regina Leggieri, Caryn Loach, Denise May, and Sue Zimmerman.

LEFT TO RIGHT: Sue Zimmerman, Regina Leggieri, Joanne Ruchniewski, Caryn Loach, Lucille Damato, Nancy Speechley, Linda Zincuk, Denise May, Ruth Laux, Judy Lawson.

THIRTEEN CLUB

The Thirteen Club, organized in 1922, is the oldest honor society in Frankford High. The club consists of thirteen members. The boys are recognized as the outstanding male members of the graduating class.

The boys sell programs at the football games and sponsor a dance. Regular meetings are held in the homes of the members and are usually attended by a guest speaker. Additional honor is paid to the boys at the annual dinner given by the Associated Thirteen Clubs.

Present members of the club are: Joseph Surrick, president; Robert Lance, secretary; Kenneth Denn, Lee Griffiths, Chris Lehr, James Maconaghy, William Mooney, Richard Sanderson, Allan Schmid, John Schnell, Alex Stagliano, Frederick Wagner, and Robert Williams.

The sponsors are Mr. William Clausen, Mr. Alfred Angelo, and Mr. James Peters.

The Senior Twelve, sponsored by Dr. Lois Dickie, is one of Frankford's Academic Clubs. Each year the girls with the twelve highest averages are chosen from the senior class. Meetings are held once a month and alternate with cultural and social themes. At graduation the senior with the highest average in a particular language is presented with an award from Senior Twelve. An annual gift is given to the Christmas Fund and to the Alva Campbell Memorial Fund.

The members of the 1966 Senior Twelve are Ruth M. Keller, president; Ruth Price, secretary; Betty Pomroy, treasurer; Judy Verhovsek; Louise Vitocco; Gail Schneider; Pat Mellor; Carolyn Simmons; Christine Santasiera; Florence Rollhauser; and Cheryl Knodt.

ALUMNI REPRESENTATIVES

The Alumni Committee is composed of representatives from each senior advisory who are elected at the beginning of the year. They act as liaisons between the Alumni Association and the student body.

The primary function of the representatives this year was to sell tickets for the Prom Breakfast.

The members are Nancy Similo, Elizabeth Adles, Ronald Boben, Paulette Budnicki, Nancy Cepokas, Marilyn Clark, Edna De Angelis, Betty Ecoff, Marion Freeman, Louise Gonzales, John Heusser, Mary Howe, Mary Kiernan, Linda Labinski, Jean Liehr, Minerva Melendez, Cheryl Montis, Gwen Patchell, Sandy Reid, Christine Santasiera, Lorraine Silvasi, Lois Small, Kathy Surgenor, Terry Wiegand, and Bill Zierle.

CAP AND GOWN COMMITTEE

Graduation night is the end of every senior's stay at Frankford. The organization and dignity of the commencement are insured by the diligent work of the Cap and Gown Committee. Under Mr. Walter Bahr's direction, one representative from each senior advisory assumes the responsibility for measuring, ordering, and distributing the graduation cap and gown to each senior in his section.

Representatives this term were Richard Kane, Charlotte Baker, Nadia Berezowsky, Diane Brennan, Richard Campbell, Thomas Chwastyk, Lynn De Feo, Michael Doyle, Louis Fusco, Geraldine Grahm, Ray Hirsch, Gail Hoffman, Adrianne Kazanjian, Eleanor Kolajtowicz, Jean Lucas, Kathy McClurkin, Elaine Mularczyk, Frances Nottingham, Linda Ridolph, Judy Rowland, Carol Scott, Barbara Sloan, Larry Szarek, Lyn Walters, and Anna Zdrojewski.

RECORD BOOK COMMITTEE

The members of the RECORD BOOK Committee act as an important link between the senior advisories and the members of the RECORD BOOK staff. The committee members are Richard Bernat, Florence Aguero, Jacqueline Blasius, Jean Brown, Janet Carey, Robert Craven, Marietta De Vuono, Rose Di Clerico, Joan Fritz, Doris Grassey, John Heusser, Kathy Hughart, Patricia Ireland, Ruth L. We have reached the end of the beginning;
It is the end of much youthful folly,
The beginning of serious thought.
We mark the end of protected security,
Face the beginning of future doubt.
Thus ends the life of three full years,
Opens a life we wonder about.
We are proud and young and strong
So we laugh and cry and shout.

LEAGUE CHAMPIONS '66 BOWLING

SENIORS: Wendy Humphries, Lois Ashworth, Donna Andrelczyk, Pat James, Pat Matzak.

For the first time in the history of Frankford, both the Girls' Varsity and Junior Varsity bowling teams were undefeated. They scored victories over South Philadelphia, Northeast, Olney, Girls' High, Lincoln, Washington, Mastbaum, and Kensington.

Under the coaching of Mrs. Margaret Peffle, they compiled an 8-0 record. One of the highlights of their season was their annual match with the boys' bowling team.

The graduating seniors are Pat Matzak, Captain; Wendy Humphries, Co-captain; Donna Andrelczyk, Lois Ashworth, and Pat James.

Pat makes another strike.

SITTING: Rhoda Heller, Judy Gaffney, Marilyn Clark, Joyce Turner, Janet Carey. STANDING: Sandy Konkus, Beverly McDonald, Lois Butterworth, JoAnne Bonsall.

This year after a lapse of many years, swimming is once again an after-school activity. The swim program includes both a swim club and a swim team.

The swim team had two practice meets — one with Lincoln and one with Washington and did very well with both. The girls are also entered in the Interscholastic Swim Meet.

The girls in the club had fun learning to paddle around in anticipation of summer. Next season we hope to continue both activities according to the girls' needs.

The 1966 team opened the season with a bang by beating Olney 20-6. Offensively, the big hits came off the power hitters; Doris Carr, Pat Grum, Lorraine Dunn and Karen Stewart.

Defensively, we managed to execute two double plays in the opening game. With a break in the weather and some more practice, we should be able to polish our defensive errors.

Three tenth grade students are featured in the starting line-up and it is very possible that a few more may see varsity action before the season ends. This could possibly be a strong combination for the next two years.

Janet bunts again.

SENIORS: Janet Geibel, Peg Drinkwater, Lorraine Dunn, Jean Vogt, Claire Draggoo, Linda Steinke, Doris Carr, Thora Davidson, Margie Sweeney, Lana Flanagan, Linda Marrone, Joyce Wilson, Judy Verhovsek.

LEAGUE CHAMPS '66 BASKETBALL

SENIORS: Peggy Reich, Thora Davidson, Doris Carr, Jean Vogt, Linda Marrone.

True Carr form.

Something new has been added to the Philadelphia style of play. This year, our girls accepted the "roving-player" and the new change resembles a boy's game. Now, the emphasis is on speed, dribbling, and ball control. Our girls managed the change with ease and finished the season undefeated.

The 1966 team duplicated the record of the 1965 team compiling a record of 14 consecutive victories. This is something of an accomplishment for our girls.

Doris Carr, captain and star performer, hit the nets for 166 points and a 24 point average for seven games. Doris reached her peak in the Northeast game when she scored on a "tap-in." Karen Stewart, a tenth grade student, finished the season with 107 points for a 19 point average, while Jean Tritz finished the season with an 11 point average. This combination of scoring provided a well-balanced offense.

Other members of the varsity squad include: seniors, Peggy Reich, Thora Davidson, and Jean Vogt; juniors, Elaine Krass, Linda Holt and Sandra MacIntosh; and one sophomore, Linda Peterson.

Our highest scoring quarter came in the opening game against Girls' High when our girls hit the nets for 26 points, and our game high score of 65. The team average was 55 for seven games.

FIRST ROW: T. Konarski, M. Ackerman, L. Hirschman, D. Bergman, J. Geibel, P. Reich, J. Wilson, J. Fehr, E. Livezey, K. Jehle. SECOND ROW: J. Dickson, Manager; B. Berkelbach, S. Clipner, G. Shoemaker, S. Konkus, C. Barnes, M. Metcalf, G. Costalas, I. Korondi, D. Spence, K. Stewart, J. Hillerstrom, Miss G. Nardone, Coach. THIRD ROW: H. Stretton, D. Berlinger, S. MacIntosh, E. Wilkinson, L. Steinke, M. DiVito, V. Alfimow, L. Ginther, V. Everman, B. Markert.

The Great Race

Coached by Miss Nardone, the 1965 Hockey team compiled a record of four wins, two ties, and one loss. This young and inexperienced team provided many exciting moments throughout the season. Sheer determination and the will to win were big factors in our victory over Northeast. After trailing 2-0 at half time, our girls staged a fantastic come-back and squeezed out a victory in the last twenty seconds of the game. Unfortunately, we lacked enough experience to see us through the P.S.D. game, and suffered our only loss of this season.

Many new faces appeared in the starting line-up this year. Two tenth grade girls earned starting positions; namely, Hazel Stretton and Karen Stewart. Seniors included Janet Geibel, (high scorer) Peggy Reich, Linda Steinke, Joyce Wilson, Eileen Steitz, Linda Ginther, and Jean Hillerstrom. Juniors: Michele Metcalf, Emily Wilkinson, Sandra Konkus, Elaine Livezey, and Sandra MacIntosh.

With seven players returning next year, the outlook should be more encouraging.

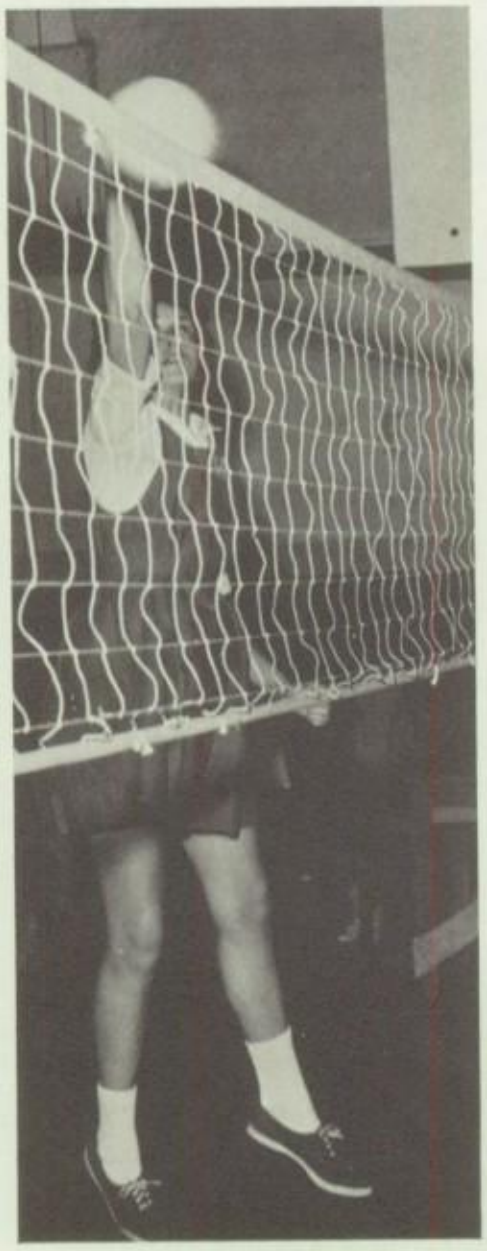
GIRLS' VOLLEYBALL

The Girls' Volleyball Team, coached by Mrs. Carroll, had a rather upsetting season. However, the Varsity team won their first and last games defeating George Washington and Kensington. The Kensington game was an exciting victory for Frankford because Kensington had won five previous games.

Frankford played a new type of game this year; "power" volleyball with six players instead of nine on a team. The girls enjoyed this new technique and played the game well.

Next year we shall miss the following seniors: Gwen Brooks, Doris Carr, Thora Davidson, Margaret Drinkwater, Janet Hall, Jean Liehr, Linda Marrone, Gail Schneider, Bernadette Skiba, Jean Vogt, and Lorraine Dunn who was a faithful and efficient manager.

Many thanks to these girls for their untiring efforts on the team. We extend our best wishes to them in the future.



Doris spikes again.

SENIORS: FIRST ROW: Linda Marone, Bernadette Skiba. SECOND ROW: Gwen Brooks, Jean Liehr, Janet Hall. THIRD ROW: Thora Davidson, Peggy Drinkwater, Jean Vogt. FOURTH ROW: Gail Schneider, Doris Carr.

Ruth Price, Captain; Linda Siegle, Kathy Lewis, Sandra Green, Linda Eldridge, Marilyn Marks, Dianne Glenn, Isabel Cyzewski.

COLOR GUARD

Captain, Ruth Price

Frankford's Colorguard, sponsored by Mrs. Eileen Hackenyos, is a very exciting and colorful activity. It consists of eight girls including a captain. The colorguard performs at football games, in assemblies, and at other special activities and functions. The girls spend many long hours learning drills and practicing routines, but much enjoyment is received from participating in the activity. The club affords an excellent opportunity to work with others and make lasting friends. The senior members of this year's Colorguard are: Ruth Price, captain; Linda Siegle, Linda Eldridge, Diane Glenn, Isabel Cyzewski, and Kathy Lewis.

SENIORS: Isabel Cyzewski, Linda Eldridge, Dianne Glenn, Linda Siegle. NOT PICTURED: Kathy Lewis.

MAJORETTES

The Majorettes play an important part in the athletic program at Frankford. This group, which consists of thirteen girls, marches and performs with the band at all our football games. In addition, its members participate in parades throughout the city.

The girls do much of their practicing on their own time after school. They are carefully trained by their captain, Susan Zimmerman, and co-captain, Susan Roberts. Miss Beverly Carmean and Miss Joan Keller are their sponsors.

The departing baton twirlers are Florence Aguero, Arlene DeCample, Wendy Humphries, Patricia James, Carol Neveil, Cheryl Robbins, Patricia Rider, Susan Roberts, Joanne Ruchniewski, Gail Schneider, Louise Vitocco, Janet Wilson, and Susan Zimmerman.

"Are you ready? Hep! Hep!" is one of the numerous cheers heard at Frankford football and basketball games. Leading these cheers are Donna Carta, captain, and Judy Lawson and Suzanne Lowe, co-captains of our cheerleading squad.

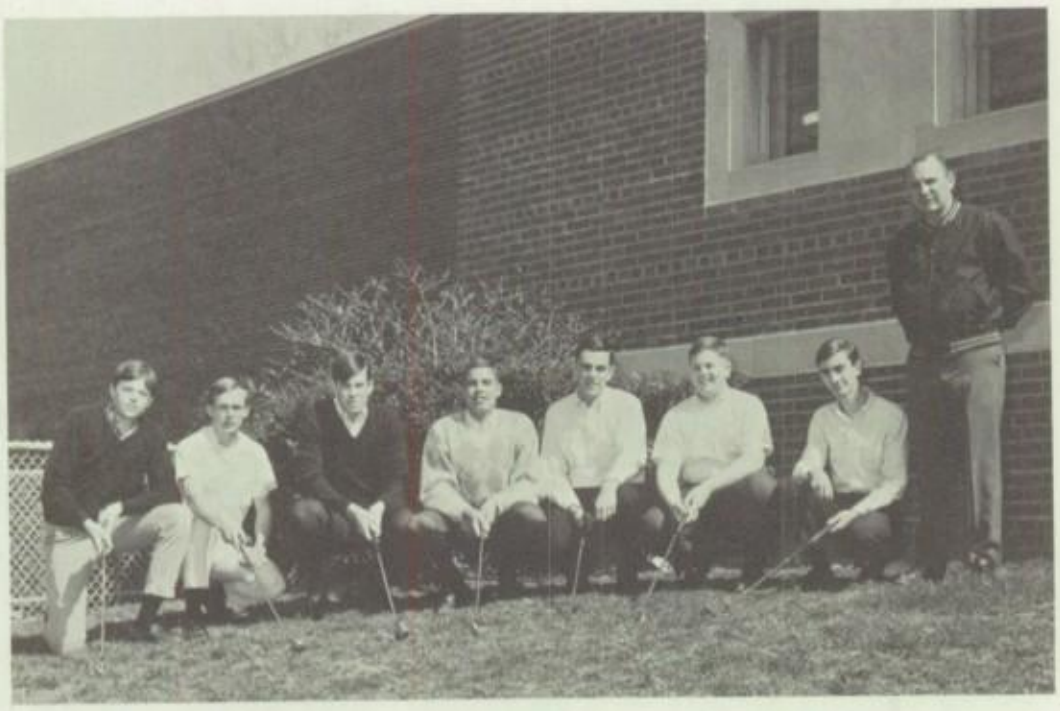
Members of the squad were chosen from the many girls whc participated in the six weeks of training and practicing. Since then they have served the school faithfully at pep rallies and various other functions as well as cheering our teams on to victory. These girls give generously of their time, energy, and effort to show our teams that our school supports them on the fields and courts of athletic events. Frankford fans will miss the vigorous cheers of seniors Donna Carta, Lucille Damato, Ruth Laux, Judy Lawson, Suzanne Lowe, and Gwen Patchell.

FENCING

This year the fencing team finished third in the city standings. This is the first time the team has placed in the top three since 1952 when Frankford won the city championship. The Fencing team went undefeated, by routing Northeast, Dobbins, Central, and Olney, 'til the final two meets against Franklin and Edison, which we lost. The team feels that next year they will capture the championship. The only senior member of the fencing team is Peter Telenko. The fencing team is coached by Mr. L. Musman.

KNEELING: J. Edson, C. Lash, P. Telenko, R. Rietgrof. STANDING: J. Cebular, M. Eichert, J. Davidyock, C. Croasdale, R. Hint, Mr. L. Musman, Coach.

Fencing action



J. Scanlon, D. Tompkins, W. Franz, S. Grunwald, D. Gordon, P. Mowry, G. Miller, Mr. W. Bahr, Coach.

GOLF

The 1965 golf team finished second in the Public League. With four members of last year's team returning, they hope to win the first place award this year. They have won their first two games against South Philadelphia and Lincoln. Graduating seniors Steve Grunwald and George Miller will be missed next year. Their coach, Mr. Bahr is looking forward to many holes-in-one.

TENNIS

FIRST ROW: P. Purse, R. Klein, L. Schlachter, R. Jamieson, W. Zierle, E. Lees, J. Bahr, K. Houston, T. Stanley. SECOND ROW: J. Restrepo, D. Curran, G. Milewski, W. Wainwright, K. Hubbard, J. Haas, R. Pomager, E. Awot, W. McMath, Mr. J. Peters, Coach.

The tennis team this year hopes to improve its record of 30 wins and 25 losses. Over twenty-five boys participated in the sport this spring. The team practices and plays its matches at Piccoli Playground in Juniata. For the last three years the team has been coached by Mr. James Peters.

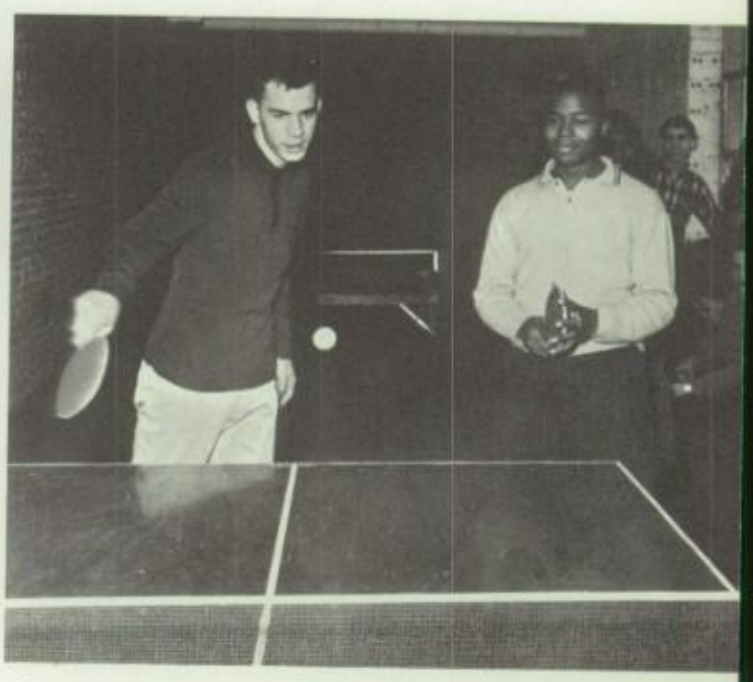
This year's squad will be led by the three senior members Roger Jamieson, Bill Zierle and Leonard Schlachter. However, James Bahr, Ken Hubbard, Edward Lees, and Bill Wainwright should also see a lot of action.

TABLE TENNIS

D. Webber, J. Fletcher, J. Atmonavage, J. Wallace, Mr. E. Federoff, Coach; D. Kosec, C. Coates, A. Rothwell, R. Myers.

Frankford's table tennis did a fine job in the tough league in which they competed this season. They will continue this fine representation of Frankford High School with the help of their coach, Mr. Ernest Federoff.

The great success of the team is due partly to John Atmonavage and Cedric Coates, the graduating seniors.



Co-captains: John Atmonavage and Cedric Coates.

CROSS COUNTRY

This year's cross-country team, ably coached by Mr. Ernest Federoff, had one of its best seasons ever. Lead by Captain Dave McDonnell, who defeated every runner he opposed, the team placed high in the city championship meet. All told, our harriers defeated twenty-one of the twenty-seven teams they faced.

The highlight of the season was the Northeast Championship Meet, between Lincoln, Washington, Olney, Northeast, and Frankford. Frankford clinched the meet and the championship, with many of the team receiving ribbons for their efforts. With the return of juniors Dave McDonnell, George Hamilton, Mike Eichert; and freshmen Robert Livengood, Al Clark, and Ed Muller, the team is confident of a city championship next year.

Graduating seniors are Charles Burkhardt, Larry Cheatham, Louis Fusco, Jack Schnell, and Gary Trojak.

SEATED: L. Torpey, D. McDonnell, G. Trojak, C. Burckhardt, L. Fusco, J. Schnell, W. Johnson, L. Cheatham, R. Livengood. STANDING: Mr. E. Federoff, coach; E. Muller, F. Cebular, R. Cordell, L. Escobedo, H. Holmes, M. Eichert, J. Groseck, G. Hamilton, A. Clark, D. Comber, M. Blanchett, R. Galbraith.

TRACK

Undefeated for three years, once again Frankford's TRACK TEAM will be the team to beat. Leading the team to another perfect season will be sprinters Manor Prewitt, Rick Alcorn, and Bob Livengood. Jumpers will be Joe Brodbeck and Randy Tobin. Hurdlers will be Larry Cheatham and George Priestley. Star vaulters to watch will be Bill Mooney and John Albright.

Mr. Federoff and Mr. Angelo vow a championship for one of the best track teams that Frankford has ever had.

BOWLING

Although our team did not place first in the Public High School League, our boys made a commendable showing against Dobbins, Germantown, Gratz, Central, Bartram, and Edison. The best individual average for the season was achieved by the team captain, John Tonkin with a 175. At the end of the season, our team had a record of 6 wins and 5 losses.

All games were played with team effort, rather than individual effort, which contributed greatly to the success of the season.

With some of the experienced bowlers returning to battle next year, Frankford may very well have a championship.

Senior bowlers are Walter Brand, John Newton, Stanley Spilis, and John Tonkin, captain.

This year's swimming team has managed to keep its record above the .500 mark. The record could have been better except for a few unfortunate breaks. Seniors are John Albright, Neil Crozier, Rich Faunce, Steve Grunwald, Ray Raquet, Chris Riechel, Chuck Roth, Vern Shaw, Leonard Schlachter, and Rick Wagner.

This year Mr. Surrick has done a wonderful job as coach.

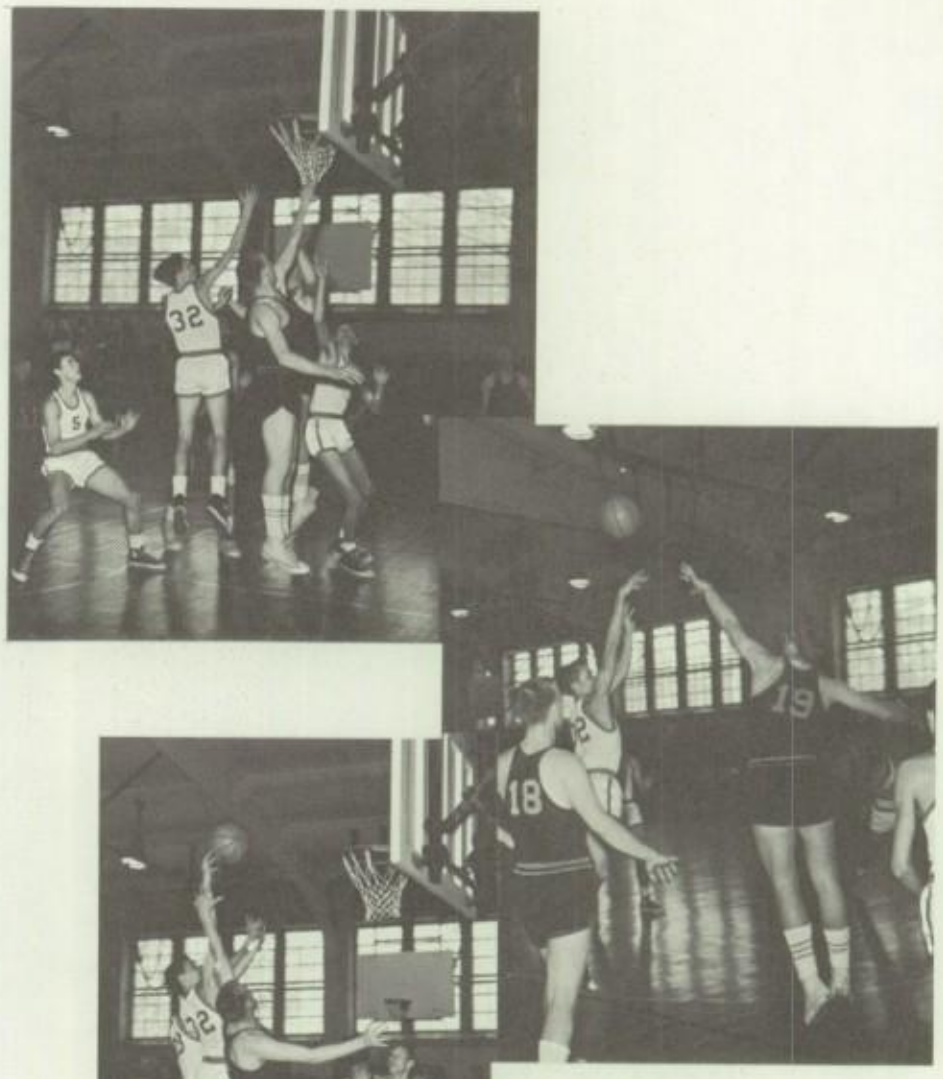
Bob Dott gets ready to slam one.

This season's baseball team under the capable supervision of Mr. Connolly, will staunchly uphold our school's fine athletic tradition of sportsmanship and teamwork. The "Baseball Pioneers" this year play most of the other Public League teams. There are four divisions in the Public High School League, with Frankford playing in the "A" League. At the end of the season the best teams in each league compete for the Public League Championship. The Frankford Varsity is hoping to participate in these playoff games. Our student body is supporting the squad in its quest for victory. Although this year's team lost their first game against Olney, we still have high hopes for another championship season. With many of last year's team members returning, we have great potential.

"Who's the wise guy that greased the ball?"



"Action!"

"How much it is worth to you to be in the game?"

"And I didn't even touch him!"

BASKETBALL

Although suffering through a dismal season which saw only four victories, the Frankford High basketball team did not lack the spirit and hustle indicative of all Frankford teams.

Led by Bob Borski, Bob Barton, Albert Monaco, and George Priestley, the Pioneers achieved single victories over Olney and Dobbins, and double victories over Mastbaum.

Due to a lack of height, the team was drastically outrebounded by taller opponents. However, the team did not fail to scare a couple of the top contenders for the Public League title.

Graduating Seniors are Bob Barton, Bob Borski, Stanley Bunsick, Bob Craven, Joe Guglielmucci, William Johnson, Albert Monaco, John Morgan, George Priestley, John Rudder, and Joe Surrick.

SOCCER

Once again Frankford's booters kicked their way to success by defeating Northeast Catholic, 3-1, in the city championship game. It was a cold, wintry day and the team played a rough game. The three goals were scored by Butch Mathes, Bob Ludwig and John Albright.

In games that led Frankford to the championship, the team did equally well. Their record for the season was 12 wins, 1 loss, and 1 tie, which was a non-league game.

At the end of the season, an assembly of distinguished guests was held in honor of our athletes. At this time, members of the team were presented with certificates by Mr. Benjamin Stackowski and trophies were presented by other athletic and school officials.

Glenn Ditzler, captain of the team, received many awards, among them the outstanding player award, plus other post-season honors which he presented to Mr. Killough for the school.

The team is successful because of leadership provided by their coach, Mr. Walter Bahr. He is one of the best soccer players, if not the best, in the United States. We are indeed privileged and honored to have such an outstanding athlete-teacher at Frankford High School.

The season was an excellent one for Frankford's soccer team; and we hope that in years to come, Frankford will always come out on top.

Senior players are John Albright, Dave Atkinson, Bob Barton, Glenn Ditzler, Rick Doering, Tim Durning, Carl Halter, Ray Hirsch, Ron Korondi, Butch Mathes, Jim Rowen, Allan Schmid, John Sweeney, William Meadowcroft, mgr.

FOOTBALL

Thanksgiving Day ended another challenging season of football for the Varsity Squad of Frankford High School. This year the team, under a new coach, Mr. Al Angelo, switched from single wing formation to a T-formation. Mr. Angelo and his assistant coach, Mr. Ron Howley, had their work cut out for them teaching the boys new plays.

The Haverford game, as always, started the season. This was a tough game, and Frankford came out on the short end with the score 19-0. But if you think that dampened the spirits of the team, you are wrong! They won the next game over Edison by a score of 8-6.

The next two games were a let-down to the team. Northeast beat us by a score of 16-6. The Olney game was a milestone in the history of high school football. After 35 years of winning for Frankford, Olney beat us by a score of 16-12! But there's nothing to worry about, our team will win back the honor next year!

The next game with Dobbins ended in a 14-14 tie.

The Mastbaum game was a real morale-booster for the team. We beat them with a final score of 23-0.

Finally came the game with our arch rival, Lincoln High. Thanatopsis sponsored a pep rally the day before the game. To the Pioneers, the game looked great, and by the end of the 3rd quarter, the Lincoln fans weren't cheering as loud as before, because by this time the score was 22-0 in favor of Frankford. Two touchdowns were scored by Randy Tobin and one by Manor Prewitt. The final score was 22-0 thus ending a game which Frankford students will long remember.

We lost the next game against Central by a score of 20-8.

Washington put up a fairly good fight with a final score of 8-6. Frankford was losing all the way through. Then suddenly Manor Prewitt scored a touchdown and Jimmy Price ran for the extra points to win the game.

On Thanksgiving Day, we were defeated by North Catholic High School by a score of 20-0. The team ended a hard fought season with a record of 4-3-1.

In post-season honors, Manor Prewitt and Randy Tobin were selected for first string all-public team. Joe Surrick was picked for second string and honorable mentions went to Bob Lance and Tony DeAngelo.

Senior players are: Paul Bobiy, Joe Brodbeck, Tony DeAngelo, Danny Friedhoff, Lee Griffiths, Tom Kalpokas, Ed Kosmalski, Bob Lafferty, Bob Lance, Jim Maconaghy, Tom Malishka, Al Monaco, Bill Mooney, Manor Prewitt, Hank Ricci, Al Stagliano, Joe Surrick, Randy Tobin, and John Weaver.

ORCHESTRA

Frankford's annual Christmas Musicale and Spring Show would not be complete without the talented touch of our school orchestra under the competent direction of Mr. Herman Siegel. In addition to contributing time and effort toward making our school shows so successful, many orchestra members participate in the All-City Orchestra. The experiences they encounter in both this orchestra and our school orchestra often prove valuable in adult life and higher education.

Jean Brown, Isabel Cyzewski, Florence Dobrowolski, Robert Fidler, Beverly Jermyn, Allan Schmid, and Jean Vogt are the fine musicians that will graduate with the 100th class.

Our school orchestra performs at the Christmas Musicale.

BAND

Our school band, under the skillful and talented supervision of Mr. Herman Siegel, offers the musically inclined students of our school opportunity to develop their talents to the fullest. During the fall season, the foremost function of the band is to awaken school spirit in the hearts of the shivering gridiron fans attending our football games. The band also adds its harmonious help to pep rallies, honor assemblies, concerts, and parades.

This year the band marched down the football field in their new uniforms. These concert and marching uniforms have been an asset to the appearances of this group.

The 100th commencement will take many fine musicians from the band including Jean Brown, Florence Dobrowolski, Robert Fidler, Allan Schmid, and Jean Vogt.

ORGAN CLUB

For sixteen years, the Organ Club has served Frankford students desirous of studying the organ. Seven classes, taught by Mr. Hackenyos, are conducted each week. Club members also travel to local churches and auditoriums to play instruments other than our own excellent pipe organ. Such experience often leads to positions as organists for the participating students.

Seniors include Robert Williams, Elizabeth Adles, Mary Jane Kushnerock, Nadia Berezowsky, and Marilyn Strehle, our assembly organist.

CLEF CLUB

The Clef Club is composed of students possessing exceptional ability in any musical medium. It is one of the oldest clubs in the school, having been organized over 35 years ago. The present sponsor is Herman Siegel.

New members audition and senior members perform at regular meetings which are held at the members' homes. In addition, each club member is ready to be called upon for assembly programs. This provides valuable performing experience.

Graduating members are Elizabeth Adles, Robert Fidler, Ruth M. Keller, Joyce Turner, and Gale Yeager.

AMBASSADORS OF SONG

WCAU televises our Ambassadors of Song.

Having completed a successful Scandinavian Concert Tour and a New York Concert Tour, the Frankford High School Ambassadors of Song will undertake their most ambitious venture this coming summer — a goodwill tour through the countries of South America. The twenty-seven day trip will include the countries of Peru, Chile, Argentina, Uruguay, and Brazil.

The Frankford Ambassadors of Song presently consists of 120 high school students ranging in age between 15 and 17 years. They frequently get together during early evenings, Saturdays, Sundays, and holidays for extra rehearsals in order to polish their sound, which has been called, by many educators and musicians, one of the finest examples of youth singing in America today.

The only graduating senior is Theresa Czyzewski.

LIBRARY AIDE CLUB

The Library Club of Frankford High School offers a rewarding experience for all members. The aides, supervised by Miss Axelrod, our librarian, learn the many details of running a library —clerical details, circulation of books, and most of all working with other students. When trained, aides are more appreciative of the role of books and reading in their lives. Knowledge, experience, and friendship emerge from contact with the Library Club to make membership a memorable one.

COUNSELOR'S AIDES

Counselor's Aides is a service activity open to Frankford pupils who are willing to give at least one period each week to work in the counselor's office. STOCK INVESTMENT CLUB

Sponsored by Mr. Fromberg, this newly formed investment club is one of the most fascinating of all senior organizations. This unique idea was begun at a time when economics was being taught in most of the senior history classes.

Money is collected on a monthly basis from students in each class. The money is then pooled and the stocks of various diversified corporations are bought. These companies are watched closely by the classes to note any gain or loss in the investment, and at the end of each month the total gain or loss is recorded. This helps to make investors of each member and brings a little bit of Wall Street right here to Frankford.

Members are Susan Bambrick, Doris Carr, Robert Dott, Richard Faunce, Dianne Glenn, Linda Guerra, George Hagdorn, Joyce Lauriello, Jean Liehr, Jean Lucas, David Mc Cash, Margaret Miller, Sharon Pomager, Betty Pomroy, Manor Prewitt, Carl Ricker, Terrence Ross, Lynn Walton, John Weaver, Janet Wilson, and Susan Zimmerman.

USHERS ASSOCIATION

Gwen Patchell, Terry Wiegand, Eileen Ellis, Gwen Brooks, Donna Popp, Lynn Raul, Bill Corry, Pam Walkling, Jean Hillerstrum, and Ruth Keller.

HIGHWAY STAFF

Most of the students interested in staffing the **High Way** are rostered for journalism class two periods per week, during which time much of the newspaper writing and planning is done. Roster conflicts mean that a few staff members must meet after school, and some students give up lunch periods to crowd the newspaper into a busy schedule.

This year the **High Way** will lose much of its editorial staff with the graduation of Jean Hillerstrum, editor-in-chief; Terry Wiegand and Ruth M. Keller, senior editors; Eileen Ellis, Gwen Brooks, Bill Corry, Gwen Patchel, and Jean Brown.

The founder of the **Highway,** Mr. Charles Troxell, retired as an English teacher at Frankford in 1951. He came to Frankford in September, 1917 after graduating from Princeton University. He received a Masters Degree from the University of Pennsylvania in 1925. In his forty-two years here, Mr. Troxell contributed much to Frankford. He helped prepare Thirty- and Fifty- year Histories of Frankford, coached the track team, and worked the loudspeaker controls during home football games. He was well known throughout Philadelphia as a track official and as a past president of the Track Officials of Philadelphia. Mr. Troxell was also active in assisting the Pop Werner group of the Little League, sponsored by the Philadelphia Optimist Club, of which he was once president. He and Mrs. Troxell enjoyed two extended tours of Europe, and cruised the Mediterranean and Scandinavian countries. Frankford students lost a good friend when Mr. Troxell died on November 6, 1965.

IN MEMORIAM

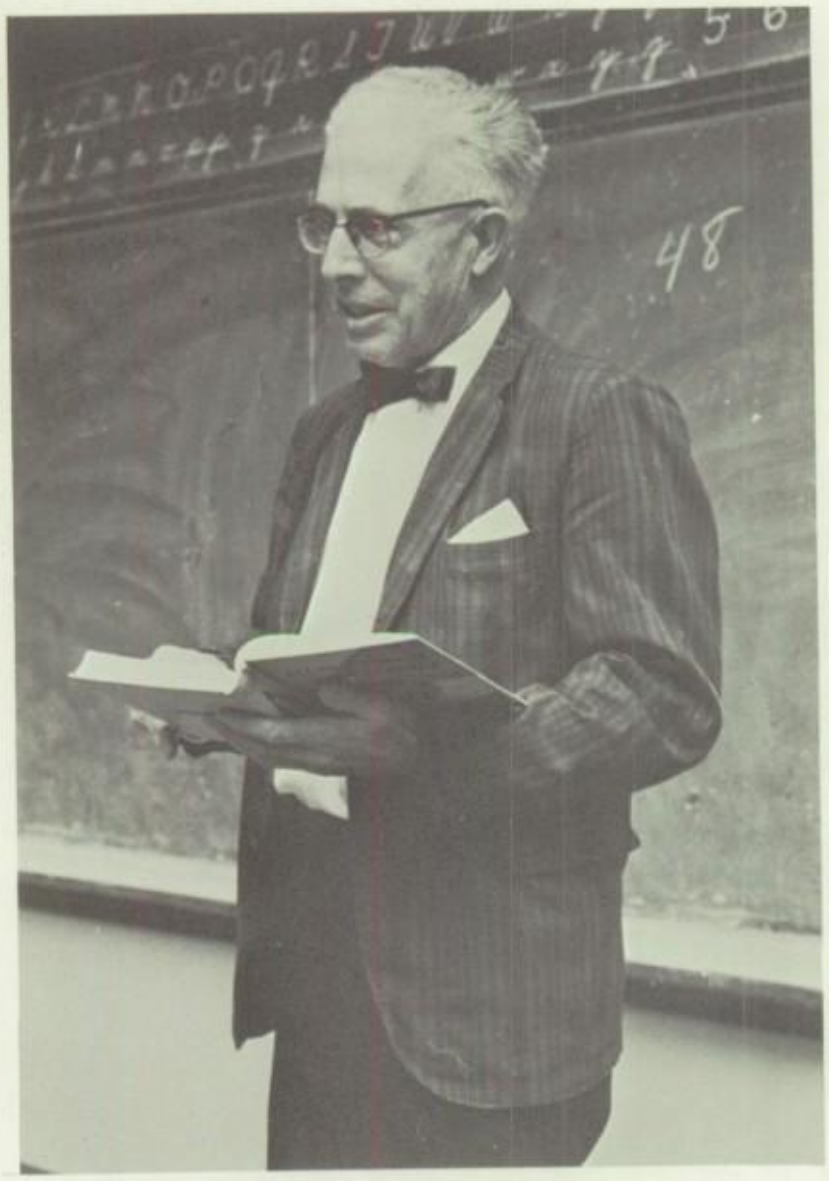
Dr. Lewis G: Sterner, died November 8, 1965

Dr. Lewis G. Sterner came to Frankford in February, 1920, after earning his Bachelor of Science degree at the University of Pennsylvania. He never graduated from Northeast High School, but he scored so well in entrance examinations he was accepted without a diploma. He became head of the English department in 1950 and served in that capacity until his retirement in June, 1963. He continued teaching composition and poetry, however at the University of Pennsylvania until June, 1965. Dr. Sterner prepared a number of English textbooks, sponsored the senior classes for a number of years and also sponsored the Record Book.

Dr. Sterner was an industrious, compassionate man. His lovely garden attested to his keen aesthetic sense.

Teachers like Dr. Sterner are few. Those students who studied under him benefited greatly from his knowledge and experience. How fortunate Frankford was to have had the opportunity to benefit from his greatness.

WE BID FAREWELL TO . . .



Mr. Mark Hagmann came to Frankford in February, 1945. By June of that year he had become the department head of Mathematics. A graduate of Simon Gratz High School, he returned there to teach. Mr. Hagmann attended the George Washington University in Washington, D. C., and received his Master's Degree from the University of Pennsylvania. Before he came to Frankford he was in the Division of Research for the Board of Education. His travels took him through the West, Alaska, and all over Europe. He is famous at Frankford for his outstanding photography which he taught here at night school. After twenty years of service and dedication we bid farewell to Mr. Hagmann and wish him well.

Mr. Mark Hagmann

Michael W. Fisch first came to Frankford in September, 1927, as a faculty member of both the History and Language departments. Prior to that date, he had been graduated from Northeast High School and the University of Pennsylvania. He obtained his Master's degree at Penn and performed as a professional musician to help pay his way through college.

While at Frankford Mr. Fisch coached football and headed many pep rallies. His interest in all athletics led him to compose our popular and inspiring "Fight Song." We are all aware of his Ling Po verses. Mr. Fisch is also famous for his prize-winning field trial dogs. His interests in Frankford led him to sponsor some of the Senior Class reunions.

In February, 1950, Mr. Fisch was promoted to Head of the History Department where he has devoted much of his talent and personality to the fields of language and social studies. In recent years, he has traveled extensively in England and Europe.

After twenty-three years of service, dedication, inspiration, and school spirit, Mr. Fisch is leaving Frankford. It is with regret that we leave also, knowing that the students that follow will not have the opportunity to know this great man.

MISS E. KATHRYN CLARK

Dear Graduates:

Time has effected many changes in the course of the years since Frankford High School, housed in a small farmhouse, opened its doors in 1910 to our first class of thirty-seven pioneers. Our school has grown in physical size and in terms of the number of pupils enrolled. The opportunities which you have had in the area of activities and course offerings have been manifold in comparison with the restricted curriculum of those early years.

The advantage which you may or may not have taken of your opportunities is now past history. How you will proceed to build upon the foundation which your Alma Mater has provided is within your control. It is my earnest hope that your future course of action as members of our one hundredth class will bring credit to our school equal to the influence effected by the achievement records of our former and earliest pioneers.

My best wishes go with each of you for much future happiness and success.

Sincerely yours,
E. Kathryn Clark

VICE PRINCIPALS

To the Graduates of the 100th Class:

You of the 100th graduating class are a special group representing the end point of more than fifty-six years of Frankford High School. You stand on the shoulders of thousands who have made history,savoring through their achievements widespread honor and respect for our school.

Mr. G. Alvin Snook founded Frankford High in 1912. At the time it was only an embryo, with thirty-seven boys in a farmhouse. From the start high standards were set and loyalties nurtured that we have tried to maintain ever since.

The famous "Old Guard" of early graduates and faculty have, over the years, worked and sacrificed for Frankford High with unfailing devotion. Many are now gone; Mr. Snook himself passed on in 1964.

It is fitting to hope, therefore, that the hundredth class will be the pivot about which the future will turn towards greater achievements. You can become, in effect, the second "Old Guard." To do this, resolve now, both individually and collectively, to remain in touch with the school and with each other. Support Frankford High projects and suggest ideas for new ones.

In facing today's trying and perplexing world, look upon Frankford as an enduring comfort and strength. Become model pioneers for our next hundred classes. May your strides into the future be purposeful, satisfying, and crowned with every success.

Benjamin J. Novak

MR. JAMES A. KILLOUGH

Members of the 100th Class:

You are just fifty years and ninety-nine classes removed from the members of the first class who graduated in June, 1916. Since that time, Frankford High School has produced a line of graduates who have distinguished themselves in the professions, in the trades, in business, and in government service. These men and women also have been outstanding in matters of civic concern and community leadership. Their accomplishments are your legacy; you should achieve no less than they.

I have no doubt that you will uphold the high standards which your predecessors have set. You have made the beginnings by serving your school. You have set a precedent as the class in which the Advanced Placement Program was initiated. You have had your share of honor students. You have seen Frankford win championships in football, baseball, soccer, and bowling and enjoyed undefeated seasons in such girls' sports as softball, basketball, and hockey.

You are graduating in a time of turmoil, but you are also graduating in a time of great opportunity. Look forward to the next fifty years as an exciting period in history. Live and serve in such a way that the pride Frankford High School feels in the accomplishments of members of its first ninety-nine classes, will continue to be felt in you!

These men laid a firm foundation upon which Frankford has grown. We thank them for the fine Frankford spirit which they, as the first graduating class did so much to establish.

FRANKFORD'S HISTORY

June, 1916, marked the graduation of the first class of thirteen boys from Frankford. This was a triumph in the history of the school, for there was much skepticism at its beginning.

The first club at Frankford was formed in October, 1911, called YE SPOOKS. It was organized as a literary society. Another club, YE MONKS, also a literary club, was formed in November, 1911. These groups maintained the most spirited type of rivalry over a long period of time, and were responsible for much of the development of a spirit of fellowship among students.

In March, 1921, the Old Guard, was organized. This consisted of men who had graduated from the school before 1916, or, before girls were admitted.

November 11, 1922, marked the dedication of the Memorial Stadium, which the fathers had worked hard to obtain over a period of five years.

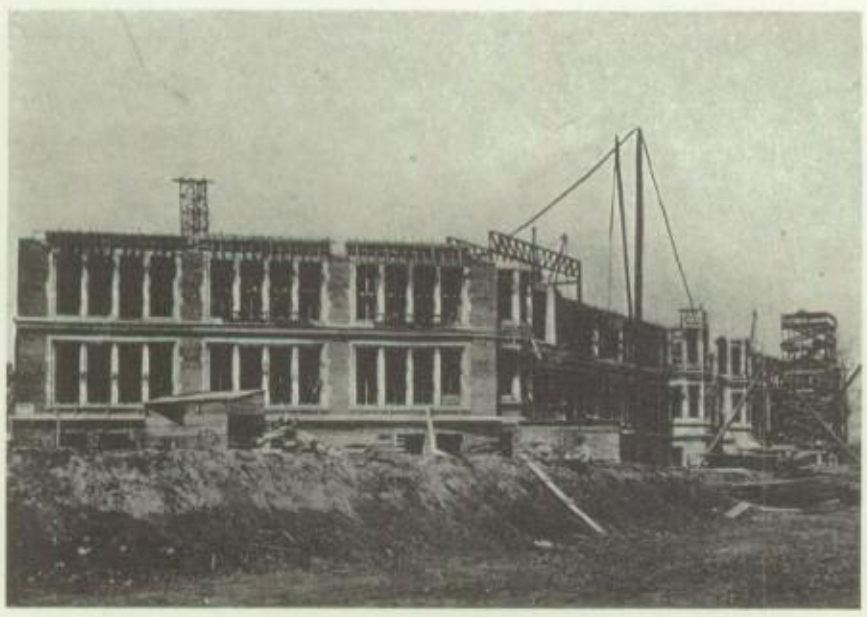
The Campus in the Old Days



On the Way Up — Spring 1915

In 1953, the old Dog House was torn down and the new gymnasium was added to the north side of the building, extending along Oakland and Wakeling Streets to Oxford Avenue.

A new lunchroom was added to the school in 1964 to help relieve the crowded conditions brought about by an enrollment of more than two and a half thousand students.

June 1966, marks another milestone in our school's history; namely, the graduation of more than seven hundred students comprising the hundredth class.

In the past fifty-six years, Frankford High School has seen many changes from the Wistar Estate to the present building. One thing, however, has remained from the very beginning; the Frankford spirit. Begun by the "Pioneers" in 1910, this intangible yet very real thing we call the Frankford Spirit will remain with us forever.

Where Wakeling and Oakland Streets now cross

The Frankford High School history began in May, 1684, when William Penn sold to Henry Waddy the tract of land on which the school now stands. This piece of land was contained in a larger tract of Oxford Township. During the next 305 years this land exchanged owners fourteen times, and was reduced in size from 305 to 4.63 acres. In July, 1909, the City of Philadelphia purchased the land on which Frankford now stands.

Frankford was created as an annex of Central High School for those who lived in the Northeast section of the city and could not travel easily to Central, whose location at that time was Eighteenth and Wood Streets.

The first buildings of Frankford High were four in number. They were nondescript and unpretentious. The main building was originally the mansion house of the Wistar Estate. It consisted of four rooms on the ground floor and two rooms on the second floor, heated by air heat from an old coal furnace in the cellar. Another house was a dilapidated out-building of the original estate. It was known by the students as the Pie House, because a Mr. Byers served the boys his famous pies at lunch time from it. At other times it was used as a biology laboratory. Another building was located half-way between Oakland and Horrocks Streets in the midst of fields and grass.

This building had the distinction of housing chickens and turkeys for the Wistar Estate was immediately given the name "The Turkey House" by the boys. Classes of a more or less academic nature were held in this building. The last of the four buildings was an old barn, located approximately across Wakeling Street from The Turkey House. It was used as the gymnasium.

In 1911 a brick, one-story building was erected on the corner of Wakeling and Oakland Streets. This building had six rooms, each with a pot-bellied stove and desks for the students. This was really "The Palace" since most of the rooms in the other buildings had only collapsible chairs or soap-boxes for seating. With the advent of the "Palace," classes in the Turkey House and the Barn were discontinued. In later years, after the present building was erected, The "Palace" was known as the Annex or Dog House.

Official colors were adopted in 1912. The flag was tri-colored: blue, symbolizing the Frankford spirit of truth, sincerity, and fidelity, was the main hue with red and gold forming a tinge of color on either side, showing our connection with Central.

As early as 1912, a group called the Fathers Association was trying to obtain a suitable building for Frankford. The student body petitioned and worked hard, and in September, 1914, ground was broken for the new building. The cornerstone was laid on February 27, 1915. Formal opening exercises of the Frankford High School were held on Tuesday morning, February 1, 1916, in the auditorium on the first floor. Mr. G. Alvin Snook was the principal, remaining so until 1927.

In February, 1916, a new first came to Frankford. Girls were admitted to the school.
